Dear Sir/Madam,

Derek Murr, of the above address, is raising money for Prostate Cancer UK. We are aware that Derek will be approaching friends, businesses and associates for support and we are very grateful for his hard work.

Prostate cancer is the most common cancer in men in the UK; one man dies every 45 minutes. Prostate Cancer UK is the UK's leading charity specialising in the field of prostate cancer. We provide support and information for men worried about prostate cancer as well as funding vital research into the disease and campaigning for better services.

It is only with the help from people like Derek and The Essex Walking Football League that Prostate Cancer UK can continue to provide such essential services to help the 40,000 men diagnosed with prostate cancer each year.

Thank you for taking the time to consider supporting Prostate Cancer UK's work. If you would like more information about us or about Derek's fundraising please do not hesitate to contact us on 0203 310 7058.

Yours faithfully

Michael Banks
